

COMPANY OVERVIEW

Würth Group is a global leader in fastening and assembly materials, operating in over 80 countries with more than 84,000 employees. In 2024, the Group achieved robust sales of EUR 20.2 billion, demonstrating its strong market presence.

Würth Industry Service specializes in customized supply and logistics solutions for industrial manufacturers and OEMs, offering over 1 million C-parts. Under the CPS® – C-Parts Solutions brand, we integrate shelf-based scanner systems, electronic ordering platforms, and RFID-enabled Kanban solutions to ensure zero-delay replenishment for production lines.

Würth Industry Service Taiwan Co., Ltd., established in 2023, aims to meet the growing needs of Taiwan's industrial customers by providing a full range of fastening and assembly materials for industrial production. Building on the Group's proven success across Europe, North America, and Asia, we are committed to delivering reliable, efficient services and the trusted quality of Taiwanese manufacturing to customers throughout Taiwan.
